### A HEAVENLY BUNCH

**WHAT** The launch of Roisín Fitzpatrick's *Taking Heaven Lightly*  
**WHERE** The Westbury Hotel, Dublin

Friends and esteemed colleagues of author Roisín Fitzpatrick gathered at The Westbury in support as she unveiled her first book, *Taking Heaven Lightly*. The tome shares Roisín's experience of a "vision of the afterlife" while in the ICU of Beaumont Hospital following a brain haemorrhage, and how she's taken a positive view on life ever since. Asking whether we're living the best life we can be, the author hopes her book will help readers to see how precious life truly is. Judging by the smiles in The Westbury, her message must be spreading fast.
